Capability Statement

CORE COMPETENCIES

Maven is a small, woman-owned services firm and value-added reseller specializing in telecommunications solutions. We offer an extensive catalogue of manufacturers and products, as well as boardroom and client-direct services for your business development and project management needs.

- Products include: Radios, Antennas, Cable, Test Equipment, Power Systems etc. from manufactures such as 3M, Radwin, Corning, and Commscope. We offer 350+ manufacturers and 25,000+ items.
- Services include: Project Management, Logistics, Program Management, and Product Management.

HOW WE ARE DIFFERENT

Unparalleled Service and Expertise: We are laser focused on outstanding service with a proven record of completing projects on time and with ease. We have extensive experience in mission critical projects, and work closely with your team to deliver exceptional results. Our customers tell us all the time- we make it easy to do business together.

Exceptional Value: We are a small business, with a highly trained staff, that delivers big results. We bring our clients the best value in products and services. Our rates are competitive, our experience vast, which results in competitive well executed contracts.

PAST PERFORMANCE

Our Mavens experience includes agencies such as Sandia National Labs, Department of Forestry, National Parks Service, Department of Interior, Federal Aviation Agency, and multiple Departments of Transportation.
